NVTI's Mission

- NVTI was established in 1986 and written into law (Title 38 § 4109 United States Code [U.S.C.]).
- To further develop and enhance the professional skills of veterans' employment and training service providers throughout the United States.
 - Train personnel who help veterans find and retain gainful employment.
 - Curriculum is designed to ensure that participants are trained in competencies that meet their clients' needs.

Course Delivery Methods

Online Cohort: participant cohort with instructor support; typically begins with a one-hour live kickoff session; participants work asynchronously to discuss and collaborate with others in the NVTI Student Central portal

Self-Paced: participants work independently; does not include instructor guidance or feedback

Virtual: live classes with an instructor and other participants, hosted virtually; includes discussion, group projects, and screen sharing

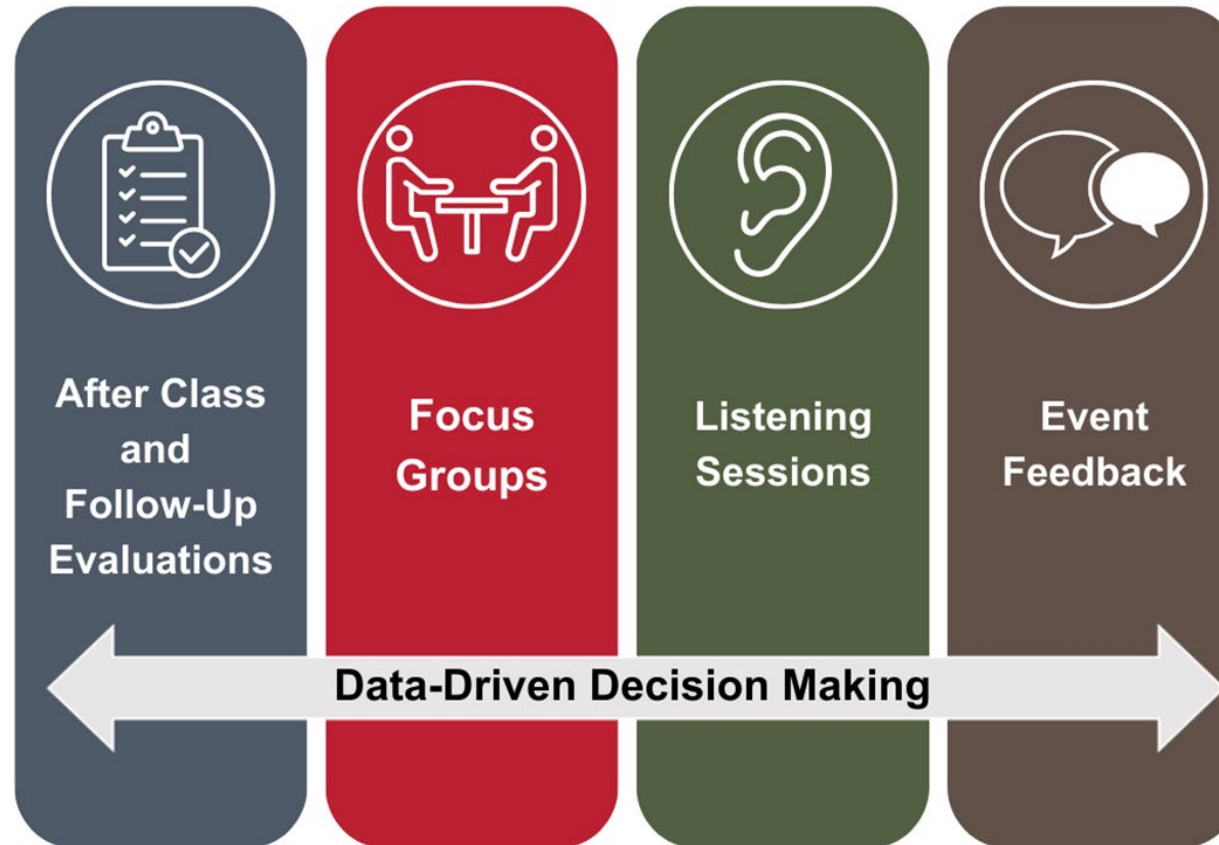

Classroom: traditional live, face-to-face classroom class, typically offered at the NVTI Training Center in Dallas, TX

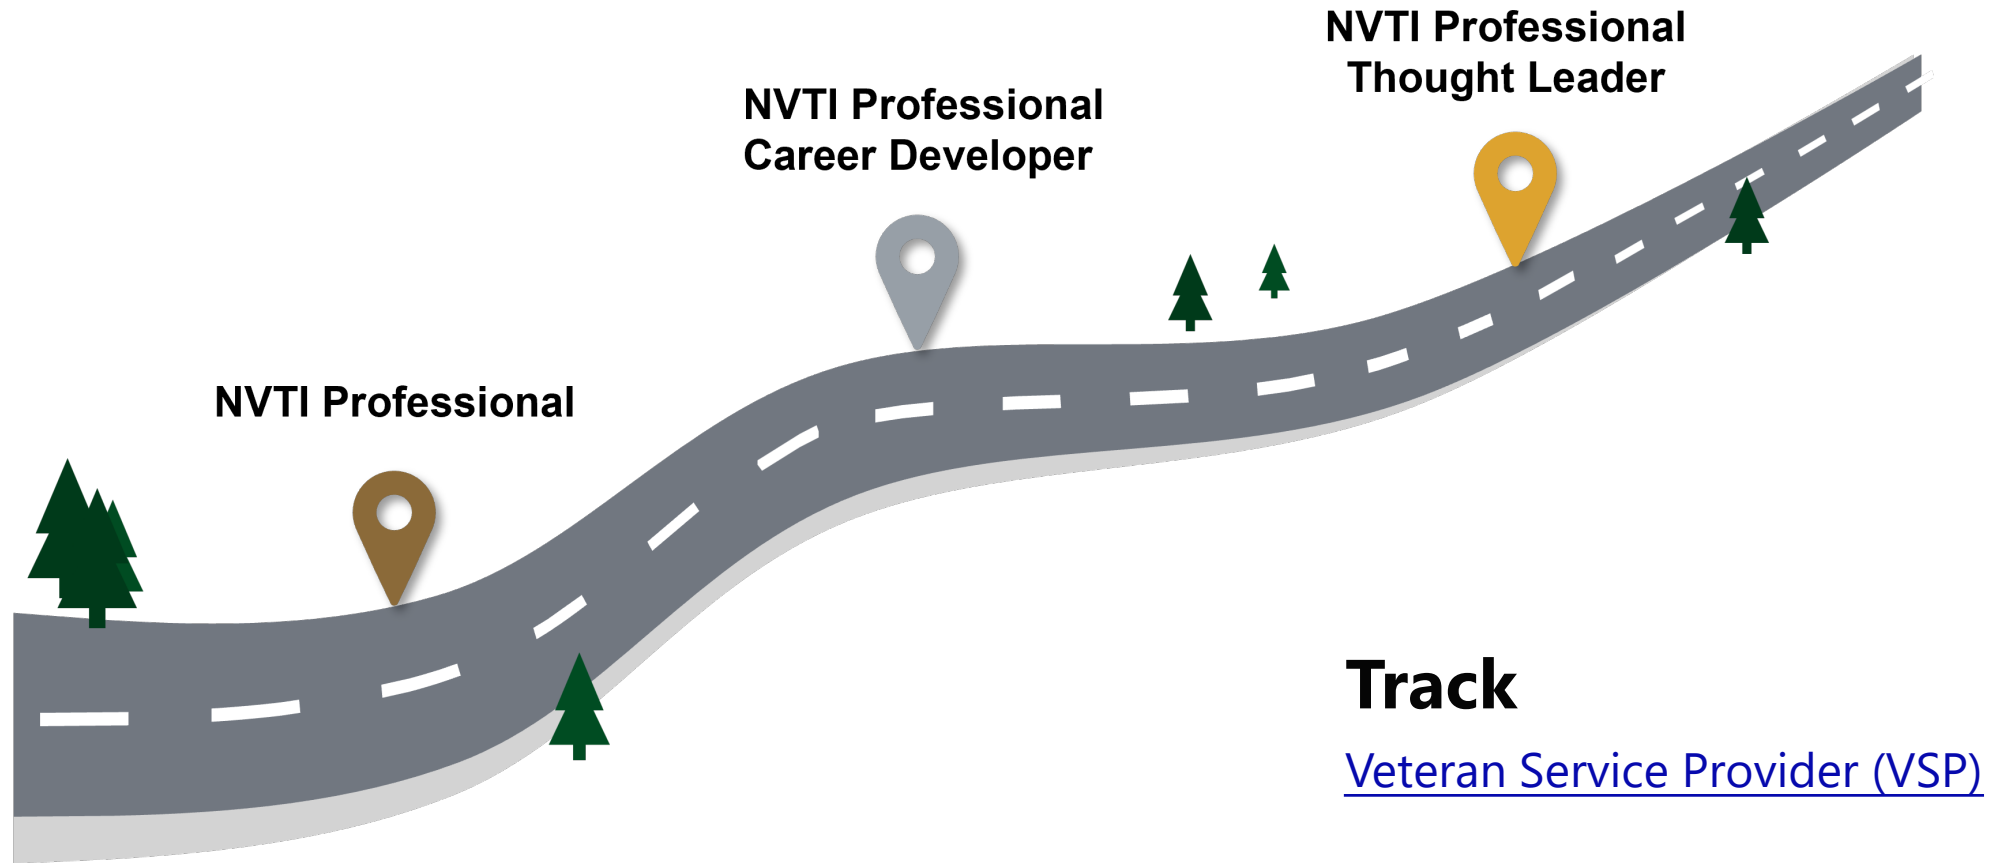

Online Curriculum: the course is without instructor interaction and consists of multiple individual self-paced eLearning elements
