HVRP Umbrella

- HVRP includes three specific programs:
 - Homeless Veterans' Reintegration Program (HVRP)
 - Incarcerated Veterans' Transition Program (IVTP)
 - Homeless Women Veterans and Homeless Veterans with Children (HWWHVWC)

HVRP Core Services (1 of 4)

- **Outreach:** Grant recipients use a flexible, non-threatening approach to meet veterans where they are. Outreach also includes activities to engage partners and employers.
- **Intake:** Grant recipients screen each veteran to determine program eligibility, provide program information, and determine participation in the program.

HVRP Core Services (2 of 4)

- **Assessment:** Grant recipients conduct a comprehensive assessment to collect the participant's education and employment history, identify barriers to employment, including skill deficits, and determine service needs as well as strengths.
- **Case Management:** Grant recipients use a veteran-centered approach in the delivery of individualized career services designed to develop comprehensive employment plans for participants, assist participants to overcome barriers to employment, ensure access to the necessary training and supportive services that impart relevant skills and connect participants with high-quality career opportunities, and provide support during program participation and after job placement.

HVRP Core Services (3 of 4)

Frequently Asked Questions

HVRP FAQs (1 of 3)

- What is the average size of an HVRP grant?
 - Each HVRP FOA will specify the award ceiling and floor amounts that may be requested for one year. For example, for the PY26 HVRP FOA, the award ceiling is \$500,000 and the award floor is \$150,000. Within the minimum and maximum range provided, award amounts vary widely because all costs must be allocable to the proposed project and aligned with the number of veterans expected to be served during the grant period within the specified service delivery areas (SDA).
- Can HVRP serve veterans' spouses or family?
 - No. To qualify for HVRP services, an individual must meet the definition of a veteran as stated in [Veterans' Program Letter \(VPL\) 06-24](#). HVRP funding cannot be used to serve the spouse or family of a qualified veteran.

HVRP FAQs (2 of 3)

- Can an organization apply to HVRP and serve multiple locations?
 - Yes. The organization will identify their proposed SDA(s) in their application for funding, including each state or territory in which the grant will operate, relevant counties, and/or county equivalents (independent cities).
 - It is not required to submit separate applications for each geographic area you intend to serve.
 - The one-year budget cannot exceed an amount specified in the FOA in total costs (direct and indirect) that supports the targeted population and the proposed SDA.
 - Applicants must also maintain one or more physical locations within a 50-mile radius of each county in their proposed SDA.

HVRP FAQs (3 of 3)

- Can veterans use other programs/supports while enrolled in HVRP?
 - Yes. HVRP grant recipients are expected to collaborate with public and private partners at all levels (federal, state, and local) to provide supportive services and access to housing to HVRP grant recipients through other grants/programs.
- Is there a limit on the type of career an HVRP participant can pursue through HVRP?
 - No. HVRP grant recipients use a veteran-centered approach in the delivery of individualized career services designed to develop comprehensive employment plans for participants and assist them in securing employment in accordance with those goals. The participant defines their goals, not grant staff.
