Homeless Veterans' Reintegration Program (HVRP)
Information Session: Wednesday, September 30, 2026

Questions and Answers (Q&A)

Overview

The following Q&A document provides responses to questions posed at the HVRP Information Session intended for organizations serving Louisiana on September 30, 2026. Questions have been synthesized for clarity.

Q&A

Q1: As an organization, we do not have any physical locations. Do you have to have a physical location in the state you serve to be an HVRP grant recipient?

A1: As stated in Veterans' Program Letter (VPL) 02-26, grant recipients must maintain one or more physical service address locations within a 50 continuous driving-mile radius of each county in their service delivery area (SDA). The physical service address location is where case managers, employment specialists, or equivalent positions will provide services to eligible HVRP participants in the SDA. The physical service address location can be located in another state, such as Texas, Arkansas, or Mississippi, but it must still meet the 50 continuous driving-mile radius of each county in their Louisiana SDA.
